RBS Advantage Report | December 2019

## Seasons Greetings

By: [Dan Moore](#)

As we close out another year as well as a decade, I am grateful for the growth we have seen at RBS. The photo above is a representation of just how much we've grown from our humble beginnings over 15 years ago; today, with over 50 employees, the employees in our corporate office and our cancer centers make an impact on cancer patients across the country every day.

We are thankful for the relationships and opportunities that 2019 brought us, and we look forward to 2020 as we work to reduce the financial anxiety of even more physicians, clients and patients.

Wishing you all a Merry Christmas and a Happy New Year.

Grateful,

**Dan**

*Radiation Business Solutions creates value for oncology programs, while creating a better financial experience for cancer patients. Since 2004, we've provided oncology-specific strategies to physicians and hospital based programs, including total revenue cycle management, patient experience programs, referral optimization services, and new cancer center development.*
