

Nice Shirt!

By [Dan Moore](#)

It's always fun for me to see people wearing our "Run for the Future 5K to Benefit the Radiation Oncology Institute" shirts from years past! I caught up with these 5K alumni at the recent ASTRO Refresher meeting, don't they look great?

We're already getting questions about the 2018 Run in San Antonio - it's going to be a good one! Registration will open in July. You can stay up to date on the latest news by checking www.ROI5K.com for updates, or follow the ROI 5K on [Facebook](#).

In the meantime - hang onto those old shirts! If we are at an event and catch YOU wearing an ROI 5K shirt, we'll give you a Starbucks card (not to mention, you'll look pretty sharp!).

Wishing you good health!

~Dan
